To whom it may concern,

I am writing this letter to express my extreme satisfaction with the work that Maximum Welding has performed for my company over the years. As the principal of a property management company, I am always seeking the best contractors and vendors to perform work for the properties we manage. Maximum has refurbished a dozen or so fire escapes for us and we have been extremely happy with the quality of their work, their promptness, their attentiveness, and most importantly their professionalism.

Max is a true professional and he has groomed his staff to conduct themselves in a similar manner. The Maximum team is truly a pleasure to deal with. Needless to say, Maximum Welding is our go to welding company.

If you have any questions or concerns that I can address, please don't hesitate to contact me.
